

# Dances of Universal Peace in Derby with Aziz Dixon

**Saturday 25 July 2009, 10.30 to 4pm (arrive from 10.00)**

The Dances of Universal Peace are a powerful way to connect with others, to experience the true heart of many spiritual traditions and draw on them for inspiration. In many parts of the world, there are circles sharing this unique form of meditative yet celebratory body prayer. Through moving, chanting and singing together we create a sense of peace and unity – a sense of joyful oneness.

*"The Dances of Universal Peace change lives. And the world changes life by life. All over the earth people long for an actual experience of reverence for the earth and life in all its forms. The Dances show how."*
